

Citation for
The Honourable Company of Gloucestershire's
Individual Cadet Award 2019

Cadet Warrant Officer Megan Breddy, of 2419 (Quedgeley) Squadron ATC

Cadet Warrant Officer Breddy exemplifies everything that is excellent about service within a cadet force, and commitment to the wider community. Cadet Warrant Officer Breddy has become qualified in almost all of the activity areas that air cadets are offered, including becoming a Qualified Aerospace Instructor, completing the Air Cadet Pilot Scheme, visiting Sweden through the International Air Cadet Exchange programme, and achieving the highest qualification in both First Aid and Radio Communications.

Cadet Warrant Officer Breddy's commitment, skills, and dedication have enabled her fellow cadets to take part in activities and to gain qualifications to develop themselves. Recently, for the Women in Aviation event at Gloucestershire's Jet Age Museum, Cadet Warrant Officer Breddy spoke about her cadet experience to inspire other girls to engage in STEM and Engineering subjects.

Cadet Warrant Officer Breddy has demonstrated exceptional dedication to change the lives and knowledge of others, and has become an exemplar cadet positively influencing the younger cadets. Her unselfish attitude, and commitment to the wider community are why Cadet Warrant Officer Megan Breddy has been awarded the Honourable Company of Gloucestershire's Individual Cadet Award for 2019.
